

Protector Key Security Box

The **Protector KSB** is a deposit system that can be anchored to a wall, a post (also available) or a "through the wall". This is a solid, compact option ideal for environments where multiple keys need to be securely deposited.

Features:

-  Easy to install
-  Holds single keys or bunches of keys
-  Stainless Steel

Burglary Resistant Classification

Manufacturers insurance rating £1,000. Check with your insurance provider as ratings may vary.

Fire Resistant Classification

NONE

Not all safes are fire resistant. This safe has been designed to protect its contents from theft.

Code	Model	Outside Dimensions (mm) h x w x d	Inside Dimensions (mm) h x w x d	Weight (KG)	Mounting	Lock Type
